## PRE-AUTHORIZATION FOR HEALTH CARE

### CONSENT FOR TREATMENT

By signing this document, I, \_\_\_\_\_, am indicating that I agree to participate in the following services with Kim Lehmann, LPC, PLLC:

_____ CLINICAL ASSESSMENT	_____ INDIVIDUAL THERAPY
_____ CLINICAL ASSESSMENT FOR MY CHILD	_____ THERAPY FOR MY CHILD
_____ FAMILY THERAPY OR COUPLE/RELATIONSHIP THERAPY	_____ GROUP THERAPY
_____ OTHER _____	

I understand that, in order to develop the therapist-patient relationship and treatment plan necessary to meet my needs, an initial assessment will be completed and a joint decision made to either proceed with the recommended treatment plan or to continue the assessment over additional visits. The limitations and benefits of all therapy or services I may receive will be discussed with me. I understand that while the long term goal of therapy is to feel better, I may experience a period of feeling worse before I begin to feel better and I also understand that there is no guarantee of success. I understand that there may be alternative methods of therapy for my consideration and I am encouraged to ask questions regarding my treatment or other methods at any time.

### PRIVACY (CONFIDENTIALITY) POLICY

State and federal laws protect the confidential nature of the therapist-client relationship. Clinical information will not be released to anyone without prior written consent to do so by the client (or the guardian-parent of a minor). Interaction between client and therapist will occur ONLY during the session. Other interaction is prohibited by the Code of Ethics; text and email messages by other clients or collateral contacts will be ignored. For billing and scheduling questions, please contact Kim at 830-608-3137. However, there are some exceptions where information may be released without client consent. Instances where information may be revealed include:

- 1) A therapist must take appropriate action when there is a danger to the client or to another individual at the client's hands. In general, this means that the therapist may involve others to protect the client if he or she is suicidal or is unable to provide self-care at a level necessary for basic survival. Others may also be involved to prevent harm to another person. State law mandates that suspected neglect or abuse of a child, of an elderly individual, or of a disabled individual must be reported.
- 2) When ordered by a court to do so, a therapist may testify or release client records. However, no release of information or testimony is given in response to a subpoena without the client or client guardian's written authorization unless required by law to do so.
- 3) Consultation with other health care professionals may be necessary at some point in time. Where possible, identification of clients is withheld. However, there are times when exchange of information is necessary. An example of this type of exchange would be when the therapist is out of town or on vacation and another therapist is providing coverage for that therapist. Case material is often used for training, for research, and for other academic endeavors but client identification is always removed. Any other release of information must come with the above listed written approval.

I understand that this agreement is valid for the duration of time that I am participating in services with Kim Lehmann, LPC, NCC, PLLC (hereinafter KL). By signing below, I acknowledge that I have received a copy of the **Pre-Authorization for Health Care** and the **Privacy (Confidentiality) Policy**, and I understand and agree to the entire contents of those documents. I acknowledge that I have had an opportunity to have answered any questions, comments or concerns that I might have had prior to signing this consent and participating in services. I am aware that I can stop counseling at any time. KL reserves the right to amend the **Pre-Authorization for Health Care** and the **Privacy (Confidentiality) Policy** and changes will be available at the office of KL and on the Springs Counseling website at [www.TheSpringsCounseling.com](http://www.TheSpringsCounseling.com). The Springs Counseling Group, LLC, is a group of independent practitioners, and The Springs Counseling Group is not providing the service. Client services are provided by each independent practitioner. I can request a copy of changes at any time at no charge. Any changes that KL makes are effective immediately unless otherwise indicated. **A COPY OF THIS PAGE MAY BE FOUND ON THE LAST PAGE.**

## Notice of Financial Responsibility

I understand that I will be charged \$165 for an initial session and \$150 for each individual session. These fees are subject to change based upon industry standards and individual circumstances. Fees vary for weekend sessions. There are various other charges as needed for court appearances, report writing and consultation etc. with others. I am aware that State and federal laws require KL to collect co-payments, co-insurance and deductibles in full. **I am responsible for paying my co-payment at the time of my session.** KL will bill me for additional co-insurance and deductibles that may be due after KL files with my insurance company and receives an explanation of benefits.

If KL is an in-network provider for my insurance company, I am only responsible for the KL contracted rate which may be the same or less than the KL rates for services. If KL is an out-of-network provider, I may be responsible for the difference between what my insurance pays and what KL charges. I am aware that KL *may* charge me interest if I am under a payment plan. **If I do not give 24 hours notice of a cancellation or if I miss my appointment, I will be charged the full session fee. This notice must be during the Monday to Friday workweek, not over a weekend.** After receiving an Explanation of Benefits from my insurance company, or if I am paying privately, if my balance exceeds \$200, my counselor may stop providing services until my balance is down to a reasonable amount. I understand that services may not be provided if my account is turned over to an attorney or other agency for collection.

**I am aware that there is no guarantee that my insurance company will cover services, and that I am fully responsible for all fees not covered by my insurance company.** I understand that payment may be made with cash, credit card, or by check. KL does not extend credit. In any such arrangement, late payment fees of \$25 per month will be charged on any balance not paid within 30 days. KL does not depend on an outside collection service unless accounts are overdue by 90 days. KL would much rather communicate with patients and find solutions to overdue accounts. I hereby consent to the delegation of collection activities to an outside collection agency, including the release of necessary information required by the collection agency. A delinquency fee of 40% of the outstanding balance will be added if a collection agency is required. There is a returned check processing fee of \$25 in addition to reimbursement for charges assessed by the KL bank. Additionally, there is a charge of \$25 if a credit card fails to clear on its first attempt. **ALSO NOTE THAT ALL SERVICES MAY BE TERMINATED AT THIS POINT.** Statements, receipts, or other documentation will not be issued to any delinquent account until paid in full. Payment by credit cards will be in accordance with the **Pre-authorization for Health Care** form provided by KL. I agree that KL reserves the right to amend this agreement and may provide me with written notice of any amendment, at which time I will have 30 days to decide if I will continue services with KL under the amended agreement. I authorize payment of benefits to KL for any and all services provided by KL.

**COURT APPEARANCES:** I understand that if report preparation is requested or required, the time rate charged for our therapy sessions will apply. Extended or frequent telephone contact will also be charged for. These services are not usually reimbursed by insurance. I will not agree to court appearances or other legal involvements unless we have discussed the matter thoroughly and both agree that such involvement is within my range of competence and will not interfere with the treatment relationship. If you become involved in legal proceedings that require my participation, you will be expected to pay for my time even if I am called to testify by another party. Because of the difficulty of legal involvement, I charge \$350.00 an hour for any preparation and attendance at any legal proceeding. Professional fees for court appearances, depositions and attorney consultations including travel and waiting time, are non-discountable, and are payable in advance only. A four hour minimum (\$1400) is required and must be paid prior to any testimony, provision of a clinical opinion, response to attorneys via telephone call or mail, subpoenas, or preparation of any report for litigating parties.

If I do not hear from you before your missed appointment, your credit card will be charged. If you need to cancel or are going to be late, please call me at my office number (830-608-3137). If you arrive late, the session will still end at the scheduled time.
